

# SUNDA MIXOLOGY 101 CLASS

Discover the trade of MIXOLOGY and all the fun and elegance it offers!

Our award winning Mixologist will demonstrate and create up to 2 culinary cocktails, Sunda's signature Grass Tiger and Old Fashion, for your viewing pleasure and then you and your guests will create one of these cocktails on your own! You'll also learn the history and origin of each cocktail and ingredients; and feel free to ask questions on "how to" make your own cocktail (or simple syrup for example) and their thought process when creating new cocktails.

Then you will walk away with a delicious cocktail to enjoy and the recipe to make it at home!
